South One Global (Pty) Ltd

4th Floor Nelson Mandela Square West Tower Sandton City Gauteng 2196

SouthOne enters into exclusive agreement with Legacy

Agreement to provide liquidity

Johannesburg – 12/09 – Today we announce an exclusive long-term agreement entered between SouthOne and Legacy to support SouthOne's global operations.

SouthOne

South One is an OTC Desk based out of South Africa providing a suite of services for businesses, corporates and institutions that include but not limited to OTC Trading, Crypto Arbitrage and etc.

Legacy

Legacy is an established global community of diverse members that are actively engaged in the Crypto and FinTech space.

Scope

This partnership will assist SouthOne to scale its global operations by using all of the capital for liquidity. Legacy will receive a share of the profits generated from SouthOne's operations through their proprietary technology and network, with multiple global offices, operational desks and international transactions, the partnership with Legacy facilitates a scalable liquidity management for SouthOne.
